BEOC STAFF HIGHLIGHT

Kevin Saw -Library/ Learning Resources Coordinator

BEOC is proud to highlight staff member **Kevin Saw**. Kevin's dedication to the support of our students in the Learning Resources Lab is immeasurable.

- **What is your educational background?**
I have a Bachelor of Arts in History from Hunter College and a Master of Library and Information Science from St. John's University.
- **What is your occupation?**
I am the Learning Resources Coordinator responsible for overseeing library and tutoring services at the BEOC Learning Resource Center (LRC).
- **What do you like best about your job?**
There are many things I like about my job. I love being a part of the BEOC team. I like the fact that I have a varied set of responsibilities. Above all, I enjoy helping people.
- **How long have you worked at BEOC?**
I have been at BEOC for close to three years now. I cannot believe it. Time flies.
- **What did you do before you worked at BEOC?**
I worked as an Academic Librarian at the Manhattan campus of New York Institute of Technology (NYIT). I was responsible for providing reference services, teaching one-shot Information Literacy sessions, facilitating library workshops, and managing work-study students. Before NYIT, I was the Learning Resource Center Manager at St. Paul's School of Nursing. My responsibilities at St. Paul's were very similar to what I do here at BEOC.
- **Tell us something about yourself that most people don't know.**
I am originally from Myanmar (Burma). My family was lucky enough to have been able to come to the United States because my mother had unexpectedly won the Diversity Visa Lottery.
- **What advice would you give a BEOC student that would help them succeed in life?**
It is important to have a positive attitude. Your soft skills and attitude matter as much as your hard skills in the professional world.

The Learning Resource Center (LRC) provides academic, learning technology, and Schoology support to students, faculty, and staff. To learn more about the LRC, please visit:

Advisement Center

Have questions about your classes? Need program guidance? Visit our Advisement Center for help in navigating your educational journey at BEOC.

The Advisement Center provides academic and career advisement, student support services, and student life activities. Advisors provide support in academic and career development to all students while helping them navigate the academic environment, develop life skills, and set career goals. Advisors assist students with completing their programs successfully, and provide referrals to internal and external support services as needed.

Students who need accommodations or academic adjustments should visit the Advisement Center and speak to a student advisor. Students who identify as having learning, physical or other documented disabilities will receive classroom support, testing accommodations and referral to other agencies.

For additional information, contact the Advisement Center at 718-802-3320 or email them at advisors@beoc.cuny.edu

BEOC Student Vaccination information

Students must be fully vaccinated in order to access programs and services on campus. They must submit vaccination proof in order to get a campus access pass. You may refer to the FAQ BEOC Student Vaccination document for instructions on how to get a campus access pass. That document can be accessed via our Learning Management System, Schoology, or on our website on the Corona Virus update page: [Information for Students: In-person classes](#)
