## BEOC DEPARTMENT SPOTLIGHT

### Career Resource Center

Career Services is available for in-person assistance with career advisement and job placement. To access in-person services, you must be fully vaccinated. The Career Resources Center is available to BEOC students, alumni and community residents for career and professional development activities including online job searches, resume preparation, assistance with applications for internships, externships, and jobs. There are also opportunities for students to secure clothing for interviews.

**For more information:** [CareerCenter@beoc.cuny.edu](mailto:CareerCenter@beoc.cuny.edu)

### Advisement Center

The Advisement Center provides academic and career advisement, student support services, and student life activities. Advisors provide support in academic and career development to all students while helping them navigate the academic environment, develop life skills, and set career goals. Advisors assist students with completing their programs successfully, and provide referrals to internal and external support services as needed. The Advisement Center offers a number of seminars and workshops throughout the semester to encourage and support the learning process.

**For more information:** 718-802-3320

### ATTAIN Lab

The ATTAIN lab offers access to career, academic, and workforce development training modules. These modules are customized training programs that can be administered by staff or completed by self-study. BEOC students may access software applications that support their coursework in all programs and extend their learning beyond the classroom. The lab coordinators assist students in managing their learning needs. Users also have the option of creating SUNY email accounts.

### A Message from the Library Resources Center

BEOC students,

As you know, students are required to show their Cleared4 pass when present on site. Below are tutorials on creating a Cleared4 quick link on your phone to make it easier to access your pass.
